

HOW TO EXTEND TIRE LIFE

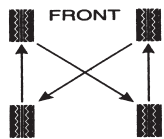

- ✓ Check your air pressure monthly
- ✓ Inflate to the recommendation in your owner's manual. (Also stated on your door placard)
- ✓ Rotate your tires every 5000 to 7500 miles
- ✓ Rebalance your tires on every third rotation

Shown below are several different rotation patterns we recommend.

(B) LIMITED ROAD HAZARD POLICY (PRO-RATED*)

The brands listed below carry a Road Hazard Service Policy on passenger tires down to 2/32 tread remaining. Light truck tires are covered down to 50% of tread remaining. (See conditions and exclusions on reverse side.)

• HERCULES • REMINGTON • MERIT • NEXEN

(C) ITD MAJOR BRAND ROAD HAZARD COVERAGE (PRO-RATED*)

This option is available for an additional charge when you purchase the following major brand tires from a ITD Dealer: Michelin, Uniroyal, B.F. Goodrich, Firestone, Bridgestone, Fuzion, Goodyear, Dunlop, General and Continental. Adjustable tires under this road hazard policy, must be returned back to the original ITD dealer for replacement. However, if you purchased the ITD "Major Brand" Road Hazard coverage, and are out-of-town, you can receive reimbursement for a road hazard condition as outlined under the "ITD Nationwide Warranty" (Section IV).

*Pro-rated means you pay only for the tread you've worn off the tire. Adjustment replacement price does not include charges for mounting and balancing.

BEST VALUE PRICING

The Best Value doesn't mean the lowest priced tire.

The Best Value is the tire that performs the best for your vehicle on dry or wet roads, that delivers a smooth ride and provides long mileage. We will always suggest the best value tire for your specific vehicle.

WARRANTY POLICY DETAILS AND EXCLUSIONS

I. MANUFACTURERS WORKMANSHIP & MATERIAL LIMITED WARRANTY

A. Passenger and truck tires, within 6 years from date of manufacture, which fail due to defects in workmanship and materials, with 3/32's or more of tread remaining, will be adjusted on a pro-rata tread wear basis, using the Tire Percent of Wear Chart, computed on the customer's buying cost.
Adjustment replacement price does not include charges for mounting and balancing.

B. All workmanship and material adjustments with only 1/32 worn will be replaced at "no charge" except the full Federal Excise Tax where applicable must be charged. This is represented by the shaded area on the Percent of Wear Chart.

C. Out-of-round tires, or ride complaints, will be adjusted only within the first 2/32's of tread wear.
UNEVEN WEAR IS NOT AN ADJUSTABLE CONDITION.

II. LIMITED ROAD HAZARD POLICY

A. PASSENGER TIRES (100%) - PRO-RATED

Although we do not warrant against road hazards on passenger tires, it will be a company policy to make a prorated allowance for unused service for non-repairable road hazards on passenger tire brands listed below with 3/32's or more tread remaining, and within 6 years from date of manufacture.

•HERCULES •REMINGTON •MERIT •NEXEN

B. LIGHT TRUCK TIRES (50%) - PRO-RATED P-METRIC AND LT. TRUCK SIZES (Smaller Than 20")

Although we do not warrant against road hazards on light truck tires, it will be a company policy to make a prorated allowance for unused service for non-repairable road hazards on light truck tire brands listed above with 50% or more tread remaining, and within 6 years from date of manufacture.

C. The Tire Percent of Wear Chart is to be used for computing road hazard adjustments, except the 1/32 worn free replacement does not apply, and full Federal Excise Tax must be charged on all road hazard adjustments.

D. EXCEPTIONS TO THE ROAD HAZARD POLICY:

• BLEMISH TIRES • TIRES USED ON OFF-THE-ROAD VEHICLES
• TIRES REPAIRED IMPROPERLY • REPAIRABLE PUNCTURES
• BIAS TIRES • CURB DAMAGE / ACCIDENTS
• MEDIUM TRUCK TIRES

E. ADJUSTABLE TIRES UNDER THIS ROAD HAZARD POLICY MUST BE RETURNED TO THE ORIGINAL DEALER FOR REPLACEMENT.

III. CONDITIONS AND EXCLUSIONS OF WORKMANSHIP & MATERIAL AND ROAD HAZARD POLICY

No adjustment allowance will be issued on tires for conditions caused by improper front-end alignment or any other mechanical condition of the vehicle, improper inflation, improper mounting procedures (including broken beads), overloading, misapplication, racing, fire, vandalism, wreck, panic braking, hitting a curb or willful abuse. (AN EXTERNALLY APPLIED "PLUG" REPAIR WITHOUT A VULCANIZED INSIDE PATCH WILL VOID THE COVERAGE UNDER THIS SERVICE POLICY.)

YOUR OBLIGATIONS:

Proper tire care is necessary to obtain the maximum mileage and wear from a tire. It is your obligation to assure that your tire/wheel assemblies are in balance and that your tires are operated at proper cool inflation pressures. Check pressure of each of your tires, including spare, at least monthly when the tires are cool. Maintain tire inflation and load in accordance with your vehicle owner's manual. Have wheel alignment of your vehicle checked at least twice a year. Rotate your tires every 5,000 - 7,500 miles. Otherwise, this service policy may not apply if your tire is damaged due to the lack of rotations.

USAGE OF PRODUCT:

This Service Policy applies only to tires and tubes which are equivalent in size and load range rating to the size and load range recommended by the manufacturer of the vehicle on which the tires are mounted and operated in accordance with the vehicle manufacturer's recommendations.

GENERAL:

All tire adjustments under this Service Policy are **CONTINGENT UPON (a) the subject tire or tube not having been mounted on any other vehicle than on which it was first mounted, (b) the claim being presented by the original purchaser of the subject tire or tube, (c) copy of original invoice is required as your warranty validation.**

LIMITATION OF LIABILITY:

THIS DEALERSHIP SHALL NOT BE LIABLE FOR ANY DAMAGE, LOSS OR INJURY, INCLUDING INCIDENTAL AND CONSEQUENTIAL DAMAGES, RESULTING FROM ANY DEFECT IN THE TIRE BEYOND REPLACEMENT OR REPAIR OF THE TIRE OR REFUND OF THE PURCHASE PRICE. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This policy gives you specific legal rights, and you may also have other rights which vary from state to state.

IV. ITD NATIONWIDE "NO HASSLE" WARRANTY

If you are out-of-town and unable to return to your original ITD Dealer for a workmanship and material defect condition, any authorized dealer of the brand you purchased can handle the warranty. If you are unable to locate a servicing dealer, or if you are out-of-town and have a **road hazard condition**, please follow these steps:

1. Identify your tire brand listed:
•HERCULES •REMINGTON •MERIT •NEXEN.
2. Purchase a comparable priced/quality tire from any tire dealer.
3. Return the adjustment tire to your ITD dealer when you return to the area or ship the tire via UPS freight collect, along with proof of purchase of the replacement tire, copy of your original invoice, and ITD Major Brand Road Hazard Policy Certificate (if applicable).
4. Your ITD dealer will make a pro-rated adjustment according to our policy and send you a check (if applicable).

V. FREE ITD ROADSIDE ASSISTANCE WITH PURCHASE OF FOUR ELIGIBLE TIRES

Reimbursable Services for 1 year from the date of your new tire purchase:

- Flat Tire Change Assistance*

**See Separate Road Side Assistance Card For Details.*

IMPORTANT: Keep all of your documents together in your glove compartment. Your warranty is void without these supporting documents: Original Invoice, copy of the ITD Tire Warranty Policy, Road Side Assistance Card and the Optional Major Brand Road Hazard Policy Certificate (if applicable).
